

Jimmy John's Home In The Zone FAQ

How do I know if I live in a Jimmy John's Delivery Zone?

- Visit <https://online.jimmyjohns.com/verify-delivery-address> to check if your current permanent legal address is in a delivery zone.

Where is the Jimmy John's house located?

- There isn't one specific house; the winner will have the opportunity to select the home of his or her choice within a Jimmy John's delivery zone. The winner will receive up to the maximum of \$250,000 towards the home purchase.

I live in one of the few states that doesn't have a Jimmy John's. Can I still enter?

- Yes, you can still enter. In order to be confirmed as the winner and claim the prize, you must be willing to relocate to a home within a Jimmy John's delivery zone, even if it's in a different state. You will be responsible for coordinating the logistics of your move and covering any expenses related to such move.

If I win, do I have to move into the house?

- Yes. You must plan to utilize the home as your primary residence for at least one (1) year from the closing date.

What if I already own my home?

- If you already own your home, you will be responsible for engaging the necessary professionals (if needed) to sell, lease or otherwise transfer your existing property.

What if I want a house with a purchase price over \$250,000?

- You will be responsible for any and all loans, financing, costs fees, taxes and expenses associated with the overage. Financing assistance will not be provided.

Will a check for \$250,000 be sent directly to me if I win?

- No. Funds for the home deposit and home purchase up to the maximum of \$250,000 will be transferred directly to the closing agent per an industry-standard home purchase contract.

If I win, can I use the prize money to fully construct a new house?

- It's unlikely that you can fully construct a home in the time allotted. Per the Official Rules, the closing date for the home purchase must be set to occur within four (4) months of the execution date of the Prize Acceptance Form. If desired, you can purchase a brand-new home as long as you can close on such home within the four (4) month deadline.

If I win, why will I receive an IRS Form 1099 for the prize value?

- Prizes are deemed miscellaneous income by the IRS. As a winner, you are responsible for paying applicable federal, state and/or local taxes. Visit <https://www.irs.gov/forms-pubs/about-form-1099-misc> for more information about miscellaneous income.
